### About our Home Lesson Fees and Payment Schedule.

**Please register free and try MCI services for FREE before you pay.**

Once you register on [www.mciteachers.com](http://www.mciteachers.com) platform for physical face to face, one-on-one Home Lesson anywhere, MCI will match you with a teacher that will meet the needs of your child. If all mci teachers are occupied, we will connect you with our verified teaching partners. You can discuss with them.
